

CHAPTER 8

REFERENCED STANDARDS

SECTION FGC 801 GENERAL

801.1 General. This chapter lists the standards that are referenced in various sections of this document. The standards are listed herein by the promulgating agency of the standard, the standard identification, the effective date and title and the section or sections of this document that reference the standard.

801.2 Subsequent additions, modifications or deletions. Refer to the rules of the department for any subsequent additions, modifications or deletions that may have been made to these standards in accordance with Section 28-103.19 of the *Administrative Code*.

801.3 Applicability. The application of the referenced standards shall be as specified in Section 102.8
